

To Whom it may concern

It is my great pleasure to write this letter in support of Miss Zeinab Akhavan's application to your PhD program.

Zeinab was one of my students in Internet Engineering course. As Zeinab hopes to pursue her higher education in Computer Science, I feel that her undergraduate experience will aid her greatly in this goal.

Based on my observation of her abilities, I believe she has the potential to be a good student at your program. I therefore recommend her for admission.

Please do not hesitate to contact me for more information.

Yours sincerely,

Hossein Shafiei,
